INTRODUCTION
Founded in 1999, St. Patrick’s School offers a wide range of academic, spiritual, physical and social experiences essential to the development of the full potential of each student.

St. Patrick’s is committed to providing the highest quality of Catholic education. We provide the highest academic standards to prepare each child to excel at the high school of their choice as well as the highest moral standards to prepare each child for a changing world and challenging future. St. Patrick’s School: Where faith and knowledge meet.

PURPOSE OF HANDBOOK
The provisions in this handbook are designed to provide parents and students with information and guidance in the procedures and policies of the school. The Principal/Pastor reserves the right to amend the handbook for just cause. The school reserves the right to add, modify, or abolish any of the handbook provisions without notice. Parents/guardians and students will be informed of any changes.

Non-enforcement of any of the rules or regulations does not serve as a waiver of their future enforcement. This handbook does not create any restriction upon St. Patrick’s right to institute any course of disciplinary action. Disciplinary action is at the school’s sole discretion as is necessary and consistent with its Catholic educational mission. By signing the agreement page, parents and students accept the responsibility to follow and support the policies of the school as outlined in this handbook. We do hope this handbook will be of service to you and enhance the cooperation we trust will exist among all of us.

ADMINISTRATION

THE PASTOR
The Pastor of the parish is the official delegate of the Bishop in the "teaching mission" of the Roman Catholic Church; the Administration, School Advisory Board, faculty and staff work under the supervision of the Pastor of the parish. The Pastor serves as a member of the Parish Council and as ex-officio member of the School Advisory Board.

THE PRINCIPAL
The Principal is the chief administrative and supervisory office of the school, and as such, serves as an ex-officio member of the School Advisory Board. The Principal is the official representative and spokesperson for the school and is the administrator primarily responsible for assuring the policies enacted by the School Advisory Board and Omaha Catholic School’s Office are put into action.

DIRECTOR OF ACADEMIC SERVICES
The Director of Academic Services serves as the assistant to the Principal in all administrative matters and coordinates all student services funded by state Title funds. If the Principal is out of the building or unable to be reached, the Director of Academic Services is to serve as the chief administrative and supervisory office of the school. He/she also serves as an ex-officio member of the School Advisory Board.

THE SCHOOL ADVISORY BOARD
St. Patrick’s School Advisory Board is an advisory committee to the Pastor and Principal. The School Advisory Board is responsible for the formulation and development of policies of the school. The School Advisory Board is comprised of seven (7) elected members plus six
(6) ex-officio members. The Pastor enacts policies, and the Principal implements them. Individual matters or resolution of specific problems after the fact are not matters to be handled by the School Advisory Board, but are the responsibility of the Principal. We are most appreciative of the time and effort expended by these people on behalf of our school. The board meets every second Wednesday of the month at 6:00 P.M. All meetings are open to the public. Minutes of the School Advisory Board meeting are available on the school’s website. The Board operates in the process formulated in its School Advisory Board bylaws.

GRIEVANCE POLICY
If a parent/guardian has a concern regarding an issue/situation in school, the following steps are recommended and expected. The steps to resolving any conflict or concern are expected to be followed in the order they are presented below:

1. Contact the child’s teacher to discuss any concern and a possible solution. In cases relating to St. Patrick’s school policies or procedures and outside their child’s classroom, parents/guardians should begin with a discussion with the Principal.
2. If the concern cannot be resolved with the teacher, the parent/guardian should then schedule a conference with the Principal.
3. Should the Principal, upon hearing the concerns of the parent/guardian, feel it is necessary, he may schedule a meeting that involves the parent/guardian, teacher(s) and the Principal to help facilitate a solution to the concerns being addressed in the child’s classroom.
4. If the parent/guardian still feels the problem/concern has not been resolved, the Pastor should be contacted. The Pastor has the ultimate authority for all educational operations in the parish.
5. The Pastor/Principal may turn to the School Advisory Board. This group is comprised of seven parish members who act as an advisory to the Principal and Pastor regarding the policy making and other issues relating to the running of the school.

The Pastor delegates all the administrative responsibilities of the school to the Principal. These responsibilities include, but are not limited to, operation of the school program and premises, management of the staff members (employment, supervision, professional development, and evaluation), establishment of educational programming, the management and evaluation of student behavior, spiritual leadership and the coordination of parents and parishioners as they work hand in hand with the school.

ADMISSIONS

ADMISSION POLICY
1. St. Patrick’s School recognizes the unique blessings and capabilities of each child. In an effort to “teach as Jesus did,” we encourage students to give selflessly to others and to offer their time and talent for the betterment of their school, parish, and community. We ultimately recognize, however, that the best teaching approach is modeling. No one will be admitted, readmitted or be allowed to remain as a student at St. Patrick’s School unless that person and his/her parents/guardians subscribe to and follow the school’s philosophy and agree to abide by the educational policies and regulations of the school, the entire staff, administration and the archdiocese.

ARCHDIOCESE OF OMAHA SCHOOL ADVISORY BOARD POLICY 5503:
If serious dissatisfaction with school programs/activities results in ongoing agitation on the part of the parents, the school administration will assess the impact of such agitation,
and after discussion of the matter with the parents, will exercise the school’s prerogative to withdraw permission for enrollment of the student.

2. Many school families already contribute much appreciated time, talent, and resources to the St. Patrick’s community. For their giving, we are grateful. For other families, stewardship (time, talent, and treasure) has yet to become a priority. In recognition that we need to practice what we teach; the St. Patrick’s School Advisory Board holds the expectation that all families participate in stewardship opportunities (parish or school) in whatever capacity they are able. Therefore, in order to register a child at St. Patrick’s School (with parishioner status), parents/guardians must complete a Parishioner Registration Form and a Stewardship Form.

3. Prospective students of families who are registered with a Catholic Church that DOES NOT have a parish school will pay $500 above the parish status family tuition rate.

Rev. May 2015

ADMISSION GUIDELINES

The Administration will make the decision concerning a child’s acceptance and placement into St. Patrick’s Catholic School. The following criteria will be used when we have a waiting list:

1. The family is following the expectations of a parishioner, including:
   • being registered in St. Patrick’s Parish (length of registration may be a factor)
   • having a stewardship form on file in the Parish office
   • attending Mass regularly
   • actively participating in a parish ministry or organization
   • contributing regular financial support in some traceable manner such as envelopes (or some agreed upon terms with the Pastor and/or Principal).

2. The family has siblings of current students attending St. Patrick’s School.

3. The family has siblings of accepted, new students.

4. The family is Catholic, in a neighboring parish with no Catholic school.

5. The family is Catholic, non-parishioner; date of school application and availability of parish school will be considered.

6. The family is non-Catholic; date of school application will be taken into account.

As a way to better acquaint them with St. Patrick’s School, all parents/guardians and students will be required to meet with the Administration at school as part of the enrollment process. **St. Patrick’s School requires all parents/guardians to provide a copy of their child(ren)’s birth certificate and baptismal certificate.**

Revised 1/8/2007

ADMISSION AGE REQUIREMENTS

St. Patrick’s School complies with the Nebraska state age requirements for Kindergarten and grade one students. Children entering Kindergarten must be five years old on or before **July 31st.**

Revised 1/17/2011

NEW STUDENT ADMISSIONS

For the admission of a Kindergarten student or a transfer student, the parent/guardian must follow these guidelines:
1. **BIRTH CERTIFICATE** - St. Patrick’s School complies with Nebraska State Law requiring that a birth certificate with a raised seal must be provided for every student who is enrolled. The original should be brought to the office to be copied.

2. **HEALTH RECORD** - An up-to-date health record is required. Record of a physical examination by a doctor is required of any student entering Kindergarten, seventh grade, and of all students who transfer in at any grade level from outside the state of Nebraska. A dental examination is also recommended at this time.

3. **IMMUNIZATION RECORD** - An up-to-date immunization record is required to be on file prior to the student’s first day of school. The Archdiocese of Omaha allows medical waivers to be submitted if immunizations are not up to date. Families that are not Catholic may be eligible to submit a religious waiver. For specifics regarding this policy, contact the school nurse.

4. **SACRAMENTAL RECORDS** - Parent/guardian is required to submit a Baptismal Certificate if baptized Catholic (if baptized at St. Patrick’s Parish, please let office know – you do not need to provide a copy).

5. **CUMULATIVE RECORDS** - For students transferring into St. Patrick’s School, a copy of records from the previous school attended is required.

**WITHDRAWAL**

Should it become necessary for a student to leave St. Patrick’s School, the student must return all books, including library books, pay any fines, fees, lunch balance, Kidzone balance, and tuition must be current for St. Patrick’s to release any records. If a student withdraws after school begins for the fall, tuition will be charged for the entire quarter(s). Records cannot follow a student without the completion of a Transcript Request form obtained in the school office. Allow 3–5 days for this process to be completed after submission of the Transcript Request form. Transcripts will be held until financial obligations have been met.

**PARENT’S ROLE IN EDUCATION**

St. Patrick’s School views the education of a student as a partnership between parents and the school. Parents and students are expected to comply with the school rules, policies and consequences for inappropriate behavior. Parents and students are expected to accept and support the authority of school officials. Just as the parent reserves the right to withdraw a child, the school has the right to cancel enrollment of a student if the administration determines that the parent or student demonstrates a refusal to maintain a partnership with the school.

As partners in the educational process at St. Patrick’s Catholic School, parents are expected:

1. To meet all financial obligations to the school
2. To inform the school of a special situation regarding the student’s well-being, safety and health
3. To complete and return to school any requested information promptly and to notify of any changes of address, phone numbers, or email addresses
4. To read school emails and newsletters and to show interest in the student’s total education
5. To support the religious and educational goals of the school
6. To support and cooperate with the discipline policy, uniform policy and all procedures in this handbook.
NON-CUSTODIAL PARENT/GUARDIAN

St. Patrick’s policy on the rights to school information by a parent/guardian who do not have custody of their children is as follows:

1. Court Orders: At the time of registration and/or as the parent/guardian become aware, court orders must be presented to the Principal by either or both parent/guardian.

2. Records: Non-custodial parent/guardian must submit written requests for their childre

3. School personnel may assume that the non-custodial parent/guardian has a right to the student’s records unless a court order to the contrary has been provided.

4. School personnel do not need permission from the custodial parent/guardian to provide records to the non-custodial parent/guardian, but it will notify the custodial parent/guardian that it intends to comply with a request from the non-custodial parent/guardian.

5. Conferences and information: Non-custodial parent/guardian may attend regular parent/guardian/teacher conferences or arrange special parent/guardian/teacher conferences unless he/she has been restricted from doing so by court order. General school information, such as lunch menus or announcements of school events, is not considered part of a student’s records. The school is not required to provide such information to non-custodial parent/guardian, but may comply with requests if it is feasible.

6. Other contacts: The school will not release a child to the non-custodial parent/guardian unless asked to do so in writing by the custodial parent/guardian. If custody has not been decided, the student may leave with either parent/guardian, unless a court order to the contrary has been provided. Non-custodial parent/guardian may visit the student’s classes unless restricted by a court order.

7. Joint Custody Information: If parents/guardians have joint custody, each parent/guardian will have the same rights unless restricted by court order. The school may require a copy of the legal documentation of who is the custodial parent/guardian and may also require identification from the non-custodial parent/guardian.

K-8th GRADE ACADEMICS

CORE CURRICULUM

St. Patrick’s core curriculum provides for the proper education of the student at each grade level. The subjects of Religion, Language Arts, Math, Science, and Social Studies are taught in each grade. Basic instruction in the core subjects is enhanced by placing additional emphasis on the processes of learning, creativity and the acquisition of study skills. Our faculty offers added support to students and their families through the TEAM (Together Everyone Achieves More) program, a resource for individualized assistance.

FIELD TRIPS

Your child will periodically have the opportunity to take field trips; however, field trips are privileges afforded to students and not absolute rights. Teachers will have the right to deny students to participate if the student fails to meet academic or behavioral requirements. All school rules apply when children are on field trips or any other school sponsored events.

A signed parent/guardian permission slip is required before students will be permitted to participate in the field trip. Without this signed permission form the student will not be allowed to participate. Any additional fees for bus transportation or admission costs will be stated on the
permission slip. Only school-aged children will be allowed to ride on the bus for school-sponsored field trips.

RELIGIOUS FORMATION
The traditions and teachings of the Catholic Church and the values of Christian living permeate the school day. This high priority is expressed through worship, prayer, religious education classes, and the general climate of the school. Catechesis for justice, mercy, and peace are an integral part of the curriculum and school; peace is an integral part of the curriculum and school environment because of our need to live this in our daily lives.

Each student receives daily instruction in religion. The instruction follows the archdiocesan curriculum guidelines. Content includes doctrine, scripture, tradition, and church history. Topics are taught using methods appropriate to the various age levels. Integrated with instruction is attitude formation. It is important that children have pleasant, joyful, religious experiences and positive attitudes about faith, practicing faith, church personnel, and being a Catholic.

Daily prayer is an integral part of the school day. Students use both formal and spontaneous forms of prayer several times daily. Prayer services are planned for special feasts and liturgical seasons, such as Advent and Lent.

MASS AND RELIGIOUS PRACTICES
The Liturgy of the Mass is the focus of our public worship of God and the focus of our parish worshipping community. Students are taught and given opportunities for participation in the Mass. All K-8th grade students attend Mass on every Holy Day of Obligation. K-4th grade will also attend Mass every Tuesday morning at 8:15, 5th-8th grade every Thursday morning at 8:15, and grades K-8 two Fridays a month at 2:10 PM. All students are expected to fully participate in Mass by singing and responding in prayer. Fifth-eighth grade students will be expected to serve at K-4th grade Masses.

With the assistance of our 2nd grade & middle school teachers, the Religious Formation program will prepare the 2nd graders for their First Reconciliation and First Holy Communion and 8th graders for Confirmation.

In October, the month of the Rosary, and May, the month of Mary, each class will recite the Rosary. During Lent, the children will attend the Stations of the Cross. By their good example of frequent reception of the Sacraments and weekly attendance of Sunday Mass, parents/guardians can establish in their children habits that will remain with them forever. All students in 2nd grade through 8th grade will participate in Reconciliation at least once each semester.

REPORT CARDS
Grades are updated in PowerSchool for 3rd-8th grades. Special conferences are arranged if requested by either the parents/guardians or the teacher. Report cards will be issued each quarter to all students in Kindergarten through 8th grade.

The grading system for Kindergarten - Second Grade is as follows:

- E = Excellent Progress
- S+ = More than Satisfactory
- S = Satisfactory
- S- = Less than Satisfactory
The grading system for Third through Eighth grades is as follows:

- A = 93% - 100%
- B = 86% - 92%
- C = 78% - 85%
- D = 70% - 77%
- F = 69% and Below

**HOMEWORK**

Appropriate homework assignments will be given according to the grade level of the student. Homework assigned will correlate with material covered in the classroom. Missing assignments are not acceptable; therefore, students will receive a deduction in grade and/or whatever is deemed appropriate by the teacher. The classroom teachers will monitor homework. They will be aware of the approximate amount of homework each student is required to complete.

**Grades 5-8**

St. Patrick’s uses PowerSchool or platform chosen by the teacher for school communication. Students who are absent from school, excused or unexcused, should use PowerSchool to find homework assigned during his/her absence. Students are expected to turn in all missed assignments/quizzes/tests and will be allowed one day for every absence, not to exceed seven days. Tests/quizzes will be made up before/after school with the time and date set up by the teacher.

**Grades K-8 Excused Absence**

If a student has an excused absence from school, teachers will follow the guidelines noted with regard to missed school work. The parent/guardian must notify the school office by email (molson@stpatselkhorn.org) or phone by 8:00 A.M. if they wish to have homework sent home with a sibling or another student. The office will then notify the classroom teacher. Homework will be available in the school office until 4:00 P.M. Teachers will not make homework available during the school day. When a student is absent, he/she will be expected to complete missed homework in two days’ time for each day absent. Occasionally, the allotted times for homework assignments may be extended or altered by the teacher or Administration. A homework report will be sent home for incomplete work. Each grade will have a policy for late work not returned.

**Grades K-8 Unexcused Absence**

If a student has an unexcused absence from school, teachers and parents will follow the guidelines noted with regard to missed school work. Students will be given missed homework when they return. A deadline will be set by the classroom teacher for completion of the missing work. Any work not turned in by the assigned date will be considered late. Teachers have the discretion to have the child(ren) complete missing work before/after school or any other time they deem necessary. Parents/guardians, please try to do all you can to avoid taking your child(ren) out of school.
Homework Room
A homework room is available for certain students in grades 5-8 Monday, Tuesday, Thursday, and Friday from 3:20-4:00. Use of the homework room is based on recommendations of a teacher, with final approval given by the Administration. Students must adhere to the behavioral and academic expectations outlined during school hours. The homework room is for students who often require more academic support. The homework room is not to be used as a detention or consequence for any behavioral issues, nor as a study hall. A St. Patrick’s school staff member will staff the homework room.

RESOURCE SERVICES
TEAM- TEAM is the name of our resource program (Together Everyone Achieves More). The St. Patrick’s resource program strives to meet the individual needs of the students they serve. The resource teachers support students by monitoring the delivery of programs, services, progress of academic and behavior goals and objectives, and the instructional needs of each student. The role of the resource teacher changes according to the needs of the students they are working with. The resource teacher may provide individual to group direct instruction, supplemental instruction, skill remediation and tutorial supports. They may also teach required core subjects that they are qualified to teach, and/or provide consultation to the general education teacher and administrative staff on behalf of the students that they work with. The program strives to provide effective and continual communication with parents and other professional involved in the in the program.

DAILY SCHOOL INFORMATION & POLICIES
SCHOOL HOURS
St. Patrick’s Catholic School is in session from 7:55 A.M. until 3:15 P.M. Monday through Friday.

EARLY DISMISSAL
Early dismissal will occur on the last day of school. Lunch will not be served, there will be no afternoon Pre-S or Pre-K, and there will be no Kidzone or Little Angels offered on that day.

MORNING DROP-OFF
- No student should be dropped off before 7:30 A.M. without the permission of a staff member. All students dropped off earlier will be sent to Kidzone and parents will be charged accordingly for this supervision.
- All traffic will come in off of Laramie onto the north access road (road along the soccer field). No direct entry to the parking lot from 204th Street during drop-off will be allowed. There will be two lanes to choose from when entering the north access road off of Laramie. If entering from west on Laramie, you will enter and stay in the right lane. If entering from 204th Street, you will enter and stay in the left lane You will merge into traffic on the south side of the Bell Tower. If you plan to park and walk your child into school or drop in front of the church or school, use the left lane to merge into traffic on the north side of the Bell Tower. (see instructions below)
- Traffic will go east through the lot and continue around to the front of the Church as if you would have come in from 204th Street.
• The drop off zone begins at the southeast corner of parking lot #2 where the sidewalk starts and ends in front of the activity center next to lot #5.
• After dropping off your child(ren) continue east through lot #3 and continue north to exit by the water tower on 204th Street or turn right using the southwest access road taking you either to Maple St. or head north out of the access road and go through the neighborhood.
• No traffic will be permitted to exit out the Laramie exit during morning drop off time, which is from 7:30-7:55 A.M.
• Park in Lot #2 to walk your children up to the front of school. No one is permitted to park in lots #1, #3, #4 or #5 and cross the drop off zone. This is for the safety of all children.
• We are recommending and encouraging carpooling as an excellent way to help alleviate excess traffic and to make life easier for you.

If someone other than a parent of a St. Patrick’s student is taking or picking up your child(ren), please make sure they are aware of the parking lot expectations.

DISMISSAL/AFTER SCHOOL SUPERVISION
Each day at 3:10 P.M. (11:55 A.M. on noon dismissal days), announcements will be read over the intercom system. Following the announcements, students will wait in their classrooms until the final dismissal bell. At 3:15 P.M., teachers will escort students to the parking lots. A designated staff member is responsible for all students who are not picked up at dismissal time. These students will go to the designated supervision area, as noted above.

Parking lots are closed to ALL traffic at 3:12 P.M. and 11:57 A.M. on early out days. This is to ensure all cars are backed into parking stalls and not moving when children are dismissed. If you have someone else picking up your child(ren) please advise them of this PRIOR to them coming to school.

When the children are dismissed, they walk through the parking lot to you at your car. Once the lot has all children in vehicles with none walking around looking for their ride, the lot will dismiss as directed by the staff and safety patrol volunteers.

WALKING HOME
Students who are walking home should meet outside by the Bell Tower where a staff member will escort them to Laramie Street.

MORNING TRAFFIC PATTERN AND AFTERNOON LOT NUMBERS
Blue arrows are the exit.
Red arrows indicate a NO drop off zone.

- If you arrive after 3:12 P.M. you will need to park in the late line near the water tower. There is NO late line off of Maple Street, so please do not use the Maple Street entrance (location of school mailbox) before/during pickup. (Note: for your safety please don’t park on 204th, or any street other than Laramie Street, while you wait for the parking lots to open up, thank you)

- On Wednesday nights the Religious Formation classes begin at 4:00 P.M. RF uses the same drop off procedure to drop off RF students. Parents/caregivers picking up child(ren) from Kidzone will park in lot #5 and walk up to get their child(ren) at the southeast door of the Activity Center. Cars are not to park in the drop off zone. Please refer to map above.
- Carpooling is strongly encouraged. If the last names in a carpool are assigned to different lots, please choose one lot and that is how the students will know where to go every day.

LATE LINE

We expect all children to be picked up on time (3:15). If a child is not picked up immediately after school, they will be required to attend an after-school supervision area referred to as “late line” (inside the entry area in the bell tower lot). For those families who use the Late Line option out of necessity or convenience, a fee will incur. The charge for using this area of supervision is a flat rate of $5 per family/per day using Tuition Express. Children who remain in the bell tower pick-up area not due to an emergency, at 3:45 P.M. will be taken to Kidzone and the family will be charged the regular rate and will be assessed the registration fee. The only exception to this rule will be if there is an emergency; i.e. accident, flat tire, vehicle breaks down, etc. Road construction or slow traffic does not constitute an emergency. Should there be an emergency, you will be expected to call the office as soon as possible and let them know of your situation. In an emergency situation, your child will wait in the Late Line until 3:45. If you are still not here to pick up, your child will wait in the main office area.

VISITORS

ALL PARENT VISITORS & VOLUNTEERS MUST CHECK IN AT THE WELCOME DESK OR SCHOOL OFFICE. MANDATORY ATTENDANCE
According to Nebraska State statute, 20 or more absences in a school year are considered excessive. State statute section 79-201 (compulsory attendance law) reads as follows:

“Every person residing in a school district within the State of Nebraska who has legal or actual charge or control of any child who is not less than seven years of age and not more than sixteen years of age, or any child under the age of 7 who is currently enrolled in school...shall cause such child to attend regularly the public, private, denominational, or parochial days schools...each day that such schools are open and in session, except when excused by school authorities...”

The school calendar is provided to all families in the spring before the next school year. We encourage families to use this calendar when planning vacations or other non-school related activities/events which would be considered unexcused. It is also strongly suggested that every attempt is made to schedule doctor/dentist appointments when school is not in session.

Removing children from the learning environment is detrimental to the educational process and should be avoided if at all possible. Excused absences include those due to illness or family emergency (death of a family member, serious illness, etc.). All other absences will be considered unexcused. This would also include a child coming later in the morning or leaving early in the afternoon for appointments or other non-school related activities.

Unexcused Absence: a student who engages in unexcused absences may be considered truant as per state law Ne.Rev.Stat. 79-201. Truancy is a violation of school rules.

Every time a child will be absent, the school office must be notified prior to 8:00 a.m. Please call the school office at 402-289-5407 or email Mary Olson at molson@stpatselkhorn.org.

Definition of Absent from School
Any time a child misses two hours during any part of the school day, he/she will be marked absent for 1/2 day. If a child is absent part of the school day due to a doctor appointment, dental appointment, or other valid reason as determined by the administration, he/she will not be counted absent unless this time away exceeds two hours, then the child will be marked absent for 1/2 day.

Tardy Policy
A student is considered tardy if he/she is not in the classroom at the time the 7:55 A.M. bell rings. The first bell rings at 7:50 A.M. Excessive tardiness will be addressed with parents, and a plan will be put in place for improvement by administration.

• Students are expected to receive a pass from the school office before going to their classroom if they are late for school.
• If they are not in the classroom when the bells rings because they are in another part of the building participating in a school activity, then they are not considered tardy.
• Parents/Guardians are expected to call or email before 8:00 A.M. if their child(ren) is going to be late for school.
Parents/Guardians are responsible for emailing the office staff and teacher or writing a note indicating why their child(ren) is late for school.

Homework Requests – See pages 16 & 17.

Snow Days/Weather
In the event of bad weather, please watch KETV, KMTV, FOX and/or WOWT for closing of school, late start or early dismissal. It will also be sent out to you via School Messenger. If school is closed or dismissed early due to inclement weather, all events (including Kidzone and Little Angels) or activities after school will be canceled or postponed to a later date. St. Patrick’s School will follow the recommendations of the Catholic School Office and Elkhorn Public Schools regarding announcements made concerning dismissal because of weather. In case of early dismissal, students will be sent home their usual way--walking, carpool, etc., unless we are notified otherwise. No child will be dismissed unless proper provisions have been made. In the event of bad weather and no early closing, children may be released early only if a parent/guardian comes to school to pick them up. However, parents/guardians may not take children other than their own unless we have verbal or written permission from the parent/guardian to take their child home. Reminder, students must be picked up at the office.

Should the tornado warning system be activated, necessary precautions and arrangements have been made with the Civil Defense authorities to care for students who are in school when a tornado warning is issued.

ELECTRONICS AT SCHOOL
Students in grades 5-8 will be using a device for educational purposes. The students in grades 5 & 6 will be issued a laptop at the beginning of the school year. Students in grades 7-8 are allowed to bring a personal device to school or the school will issue one to them for the school year.

Students in grades 5-8 are permitted to bring a cell phone to school but may not use them while in the school building during school hours (7:55am to 3:15pm). Students who elect to bring a phone to school will be asked to check it in to a teacher each day and retrieve it prior to dismissal. Students may use cell phones once they exit the building after school dismisses, unless they are attending Kidzone, Homework Room, detention or any other school function. If a student violates this policy, the cell phone will be held by administration to be retrieved by the student or a parent, if necessary. If there is a second offense, the cell phone will be banned for the remainder of the school year. Smart Watches that are connected to cell phones are permitted but may only be used for keeping time during school hours. They may not be used to manage phone calls, emails or text messages. Any student who uses the watch for other than keeping time will be banned from having the watch in school for the remainder of the school year.

PROTOCOL FOR STUDENT BIRTHDAYS
St. Patrick’s school recognizes each student’s birthday as a special occasion. In order to include all students equally and in consideration of food allergies, medical conditions, and varying degrees of economic status, outside food/treats will not be part of birthday celebrations. If birthday treats arrive at the school, they will be held in the office and sent home at dismissal. Each month we have an assigned day for birthday dress down days.

Parents must sign in at the Welcome Desk when visiting. Parents may bring a sack lunch or purchase a hot lunch with their child. The National School Lunch Program prohibits all fast food products from being consumed in the school cafeteria. This regulation applies to all students and parents during the regularly scheduled lunch period. We will request that any fast food brought to the cafeteria be disposed of.

ALL WALKING SCHOOL
St. Patrick’s is an ‘all walking school’. From 7:30 A.M -7:50 A.M. students will either walk the perimeter of the school outside or, when inclement weather is imminent or present, students will walk the halls and gymnasium inside. This is to promote health and wellness and to ‘wake up the brain’ before the day of learning begins.

SCHOOL OFFICE

Student Records
St. Patrick’s Catholic School adheres to the Family Education Rights and Privacy Act (FERPA) regarding access to student records. Records will be provided within 48 hours of a request.

Office Records
Parents/Guardians must notify the school in writing or via email of any change of email addresses, work/home/cell telephone numbers, addresses, and telephone numbers of emergency contacts so that office records may be accurate, complete, and up to date.

Student Directory
Within the first semester of the school year, each family registered with the Home & School Association will receive a student directory listing students and parents’ names, addresses, email addresses and telephone numbers. The student directory should be used to acquaint parents with the names of their child(ren)’s classmates and their parents and should not be used or sold for other any purposes. Please refer to the Student Directory for class lists, telephone numbers and addresses, as the school office will not release this information.

SCHOOL COMMUNICATIONS

Angel Dashboard
A new password protected landing page titled “Angel Dashboard” on the school website provides families with all up-to-date information. A reminder email with the password will be sent out every Thursday from the school office. Any requests for information to be included on the dashboard must be submitted in final draft form to halo@stpatselkhorn.org by Tuesday 8 a.m. These submissions are subject to approval by the Principal. Parents are encouraged to check their emails daily for updates that come at the last minute. Additionally, families are encouraged to opt-in to the school text messaging service by texting “Y” to 67587.

Telephone
The office and classroom phones are business phones and students are permitted to use them only in case of emergency. Forgotten homework, lunches, athletic equipment, etc. do not constitute emergencies. Arrangements for after school visits with friends should be made at home.

Sometimes it is very important that a parent reach their child during the school day. If it is an emergency, we will locate your child and deliver the message. However, if a parent should need to contact their child during the day for non-emergency issues, the office staff will attempt to deliver your message via announcements at the end of the day.
HEALTH

SCHOOL NURSE
A school nurse oversees all the medical needs and records for St. Patrick's School. The office staff and trained volunteers have been charged to assist the nurse. General health screenings for vision, hearing, dental, height, weight, and blood pressure will be set up by the nurse, as per state recommendations.

SCHOOL PHYSICAL AND VISION EXAMS
The Nebraska School Law requires all students entering Kindergarten and seventh grade, or transferring from an out-of-state school, have a physical examination by a Nebraska physician, physician assistant, or advanced practice registered nurse within six (6) months prior to school entrance. A dental examination is recommended at this time.

State law also requires students entering Kindergarten or transferring from an out-of-state school provide proof of a visual evaluation within six (6) months prior to school entrance. The visual evaluation performed by a physician, physician assistant, advanced practice registered nurse, or optometrist shall include testing for amblyopia (lazy eye), strabismus (cross eye), internal and external eye health, and visual acuity.

Exception to the physical examination or visual evaluation requirement may be made if the parent/guardian submits a written statement refusing a physical examination or visual evaluation.

HEALTH UPDATES AND MEDICATIONS
Health updates and Medication Authorization forms must be signed and on file in the school office. If a student has a special health concern or allergies, these MUST be identified on the Annual Health Update. An annual health update is completed by parent/guardians for each student at the start of every school year. A new health update form should be completed during the school year for significant changes in a student’s health status. If a student is on medication that must be administered during school hours, the medication must be brought to the school office by a parent. Do not send medication with your child in their backpack to school or allow the child to carry it. Prescribed medications must be properly labeled with a legible pharmacy label. All over the counter medications must be in the original manufacturer’s container. A Medication Authorization form must be filled out and signed by the parent/guardian for all prescription and over the counter medications. A physician’s order must accompany a prescription for a controlled substance. Cough drops are allowed to be carried with a student if the teacher has been notified by a parent.

SCHOOL IMMUNIZATION 2019-2020 RULES & REGULATIONS
In Nebraska, children are required to be protected by immunization against the following diseases in order to attend school:
1. Diphtheria, Tetanus, and Pertussis
2. Polio
3. Measles, mumps, and rubella
4. Hepatitis B
5. Varicella (chicken pox)
6. Hib (Pre- S and Pre- K only)
7. Pneumonia (Pre- S and Pre- K only)
"As a school of the Archdiocese of Omaha, St. Patrick’s adheres to both the immunization policy set forth for schools by the State of Nebraska, and the policy set forth by the Archdiocese.”

A proper medical or religious exemption must be on file for any student who is missing, or has not received, the required immunizations. A medical exemption requires a statement signed by a physician, advanced practice nurse, or physician assistant stating that in the health care provider’s opinion, the immunization would be injurious to the health and well-being of the student or a member of the student’s household.

A religious exemption is ONLY allowed if the immunization conflicts with the tenets and practice of a recognized religious denomination of which the student is an adherent member.

**Catholics may NOT submit a religious exemption as immunizations do not conflict with the “tenets and practices” recognized by the Catholic Church.**

A copy of this policy is available for review in the front office. Questions regarding this policy can be directed to the Principal, Assistant Principal, or School Nurse.

St. Patrick’s recognizes the significance and seriousness of food allergies. The Annual Health Update form is required to be filled out yearly for all students, and is especially crucial for the staff when identifying potential allergies. ALL FOOD ALLERGIES must be documented on the form and returned to the office by the start of the school year. St. Patrick’s is a “peanut/nut aware” school. Hot lunches provided by the school are nut free; however, nuts may be present in cold lunches brought in by fellow students. Therefore, designated nut free tables are available during all lunch periods.  **Parents/guardians must specify on the Annual Health Update Form the need for their child to sit/not sit at the nut free table.** Students with significant allergies that require emergency medications to be kept on site must submit an Allergy/Anaphylaxis Action Plan, written and signed by a physician, along with providing the necessary emergency medications identified on the plan. Questions and concerns can be directed to the school nurse at any time. Please notify the school nurse of any allergy or health status changes throughout the school year.

**SICK CHILDREN**

When a child becomes sick at school, the school office will call the parent/guardian. If a student is too ill to return to class, he/she must be picked up by a parent/guardian or an emergency contact. Sick children will NOT be kept at school.

- If a child has a temperature of 100 degrees or more, or is exhibiting flu like symptoms, parents will be contacted to pick their child up. Flu symptoms include acute respiratory illness, such as fever or chills. Other possible flu symptoms are runny nose, lethargy/fatigue, body aches, headache, loss of appetite and in some cases, nausea, vomiting, and diarrhea. **A child should not return to school unless they have been fever free and/or free of flu-like symptoms for 24 hours.**

- If a child has symptoms consistent with a communicable disease such as whooping cough, influenza, strep throat, pink eye, or head lice, a parent/guardian will be contacted to pick the child up from school. In order for a child to return to school, it may be necessary to provide documentation to the school that the child was seen by a health care provider and appropriate treatment has been initiated or completed (for example 5 days of antibiotic for whooping cough, 24 hours of antibiotic for strep throat, or 24 hours of antibiotic eye drops for bacterial pink eye). For some communicable diseases, the child must be symptom free to return to school. St. Patrick’s follows the recommendations of Nebraska Health and Human Services and Douglas County Health Department when responding to communicable disease.
All rashes are considered contagious unless otherwise diagnosed by a physician, and parents/guardian will be contacted. The child may return to school with documentation that the rash is not contagious or the rash is resolved.

If a child vomits or has other gastrointestinal symptoms at school, they must be picked up by a parent/guardian or emergency contact. Student must be free from GI symptoms for 24 hours before returning to school.

Parent/guardians are required to notify the school office of communicable diseases such as whooping cough, influenza, strep throat, pink eye, or head lice. The school nurse or designee will attempt, at his/her discretion, to notify parents of communicable diseases in their child(ren)’s grades while maintaining patient privacy. This service is done as a courtesy and is not required by the DCHD.

**DISCIPLINE**

**DISCIPLINE WITH PURPOSE (DWP)**

Discipline with Purpose (DWP) is a developmental approach to teaching self-discipline. It focuses on teaching the fifteen self-discipline skills to students. Self-discipline is defined as a person’s ability to wait. While we wait, we think, we restrain impulsivity, and/or we delay an immediate gratification or need. Children frequently do not need a disciplinarian when they misbehave as much as they need a teacher of self-discipline. Positive methods of discipline will be expected and encouraged at St. Patrick’s School. The following self-discipline skills will be taught to students and integrated with all other instruction throughout the school day:

1. Listening
2. Following instructions
3. Questioning
4. Sharing time, space, people and things
5. Interacting socially
6. Cooperating with others
7. Understanding rules
8. Figuring out how to accomplish tasks
9. Exhibiting leadership
10. Communicating effectively
11. Organizing: time, people, space, and things.
12. Resolving mutual problems
13. Taking the initiative in problem solving
14. Distinguishing fact from feeling
15. Sacrificing/Serving others

**APPROPRIATE BEHAVIOR**

The way a student conducts himself/herself in relationship to others should, at all times, be respectful, courteous, and reflect our Catholic Christian values and morals. Three school-wide rules are expected to be followed by students and staff at all times. They include:

- Respect yourself and others as children of God
- Contribute to the prayerful learning environment
- Follow school and classroom procedures
BULLYING/HARASSMENT POLICY
5032 Student Offensive Conduct, Bullying or Harassment Archdiocesan Policy: September 2016

Student offensive conduct, bullying or harassment (repeated incidents of such conduct) on the basis of a person’s gender, sexual orientation, race, color, age, religion, national origin, marital status or disability is prohibited. Offensive conduct, bullying or harassment will result in suspension or expulsion.

Examples of offensive conduct, bullying or harassment include but are not limited to the following:

a. Explicit and offensive references or gestures;
b. Unwelcome physical contact and unwelcome verbal, written, or physical advance or suggestions;
c. Name calling or taunting on the basis of gender, sexual orientation, race, color, religion, national origin, marital status or disability;
d. Language of any kind including graffiti, epithets, vulgar or profane jokes, which is disparaging or demeaning to others on the basis of their gender, sexual orientation, race, color, religion, national origin, marital status or disability.

The following is a commonly referenced definition of bullying: “A person is being bullied when he or she is exposed, repeatedly, and over time, to negative actions on the part of one or more other persons.” Olweus, D. (1993). Bullying at School: What We Know and What We Can Do. Cambridge, MA: Blackwell Publishers, Inc.

• Bullying or Normal Conflict – Normal conflict can occur any time or place and is generally accidental and resolved by the parties in the conflict. Bullying behaviors occur where the person bullying feels safe engaging in power-seeking behavior, which is intentionally harmful and directed at someone who is considered weak or vulnerable and generally is resolved by third party intervention.

• Bullying or Harassment – Harassment behaviors share the common themes found in a definition of bullying and additionally recognize that the behavior is discriminatory toward protected classes of individuals. For example, specific types of harassment would include sexual harassment or racial harassment.

• Types of Bullying – Bullying behaviors may be direct or indirect and include verbal and nonverbal behaviors that cause physical, social/relational, or emotional/psychological harm.

INAPPROPRIATE USE OF CYBERSPACE
Inappropriate use of electronic information and communication devices to harm, discredit or embarrass another individual will not be tolerated whether it occurs at school or elsewhere. Actions deliberately threatening, harassing, intimidating an individual or group of individuals, placing an individual in a reasonable fear of harm or damaging the individual’s property or reputation; disrupting the orderly operation of the school, will not be tolerated. The online activities and technologies often used by students engaged in inappropriate use of cyberspace include but are not limited to social networking sites, chat rooms, and discussion groups, instant messaging, text messaging, snapchat, computers, cell phones and personal digital devices,
digital cameras, cell phone cameras, and webcams. As new technologies emerge, they too may be included with the above forms of electronic communication.

5th THROUGH 8th GRADE DISCIPLINE PROGRAM
Behavioral expectations are high at St. Patrick’s. Our DWP program is a major part of our curriculum. It is critical that our students recognize that success results when all students learn and follow the behaviors combined with expectations taught in the program. Choosing to follow the steps outlined in our DWP program ensures a positive learning environment with minimal distractions. Fifth-eighth grade students will be issued behavior cards. These cards will allow them to self-monitor through the issuance of demerits and merits.

Demerits are formal signs that student actions are in direct conflict with St. Patrick’s behavioral guidelines. Accumulations of demerits indicate a lack of self-discipline and on-going behaviors which could prove detrimental to the student’s learning, the school community and St. Patrick’s educational mission. Merits will be issued for behaviors that are praiseworthy beyond general classroom conduct.

The behavior card provides students and parents with a tangible record of positive behavior and behavior needing correction. It should be reviewed weekly at home. If a demerit is received, the parent must sign and return. Please refer to your child’s grade-level policies for the specific details regarding the use of behavior cards.

DETENTION
Keeping children after school has long been an effective method of handling many problems in the elementary grades. These problems can range from a need for extra time to complete assignments to minor forms of misconduct. A detention log is created and an email is sent to parents and administrators at the teacher’s discretion. When this happens, the student will be expected to notify his/her parent/guardian as soon as possible. The fact that a student rides with a carpool does not excuse him/her from detention. When a student is notified of a detention, it is his/her responsibility to arrange transportation. All detentions will be served with a staff member. Detention time will be from 3:20 P.M. to 3:50 P.M., and the student will be doing activities deemed appropriate by the supervisor.

Students serve detentions after school at the discretion of the teacher and administration. Skipping detention results in a doubling of the assigned time.

SUSPENSION/EXPULSION POLICY
On occasion, students can or will be suspended and/or expelled, not only for their well-being, but for the well-being of all the other students and staff at St. Patrick’s School. Any serious behavior infractions regarding a student, on or off school grounds during school or a school-sponsored activity, can or will be grounds for suspension or expulsion. Also, serious behavioral infractions done outside of school or off of school grounds will be investigated by administration, and if deemed as a situation that may harm any portion of the school community, then serious disciplinary action may follow. Students who participate in school sponsored extracurricular events will experience the loss of practice and competition time relevant to the length of the suspension. This decision and all disciplinary actions will rest with the Principal.
When a student is suspended, the parents/guardians are called. A meeting with the parents/guardians and the administration may be scheduled in order to discuss the student’s academic future at St. Patrick’s School.

**Suspension** is a temporary exclusion of a student from school and school activities. A suspension may be for a few hours during the day or up to several days. When a student is suspended, he/she will do homework as well as other activities to be determined by the Principal. St. Patrick’s School personnel strive to resolve discipline problems in a Christian manner with parent/guardian and student involvement and cooperation. However, in serious situations it may become necessary to discipline a student with an in or out of school suspension. Every effort will be made to notify the parents/guardians of the suspension as soon as possible. The decision to suspend a student rests with the Principal.

**Expulsion** is the permanent exclusion of a student from school and school activities. St. Patrick’s School will use expulsion when the student’s behavior is a hindrance to the welfare, learning, and progress of the school community and/or there is evidence of repeated disregard for the philosophy, policies, rules, and regulations of the school.

- The decision to expel a student rests with the Principal, and the Pastor is informed.
- The Administration will investigate the behavior problem by talking to person(s) involved and the student involved.
- Parents/guardians will be involved in the expulsion process, including a written notice identifying the reasons for the expulsion, the measures being taken, and the right to due process.
- The Principal will notify the Archdiocesan Superintendent of Schools and upon request provide record of the evidence justifying expulsion of the student.

**PLAYGROUND RULES**

Kindergarten-4th grade students will have a morning or afternoon recess and a noon recess. The 5th and 6th graders will have a lunch recess and the 7th & 8th graders will not have recess. **Following is a list of rules for the playground but are not all inclusive:**

- no food or drink will be allowed on the playground
- only school equipment or equipment provided by the teacher will be allowed on the playground- no toys from home are allowed
- children must ask permission to enter the building during recess
- children are not to enter the school through the church entrance
- If the temperature, including the wind chill factor, is 20 degrees or lower, the Principal will consider not having outdoor recess.

**Consequences for violating the rules may be as follows:**

- the child will walk for the duration of the recess
- the child who continues to break the rules will lose additional recesses

Students involved in behavior deemed harmful to themselves or others will be sent to the Administration's office, given additional consequences and parent/guardian will be informed.

**TECHNOLOGY**

Computers and technology are used to support learning and enhance educational instruction. It is a general policy that all computers and other technology equipment used through St. Patrick’s School are to be used in a responsible, efficient, ethical, and legal manner. Failure to adhere to this policy and the guidelines established below shall result in the revocation of access privileges and/or disciplinary actions.
It is the belief of St. Patrick’s School that the educational benefits to students and teachers through access to various online services and the internet far exceed the disadvantages. Most sites accessed can provide a wealth of educational opportunities. It is the intent of St. Patrick’s School to provide access to such services to further the educational goals and objectives. However, parents should be aware that students using internet applications have the potential to access unacceptable sources if they disobey or disregard school rules and guidelines. Even though the vast majority of internet sites provide useful information, some sites may contain information that is offensive, defamatory, sexually oriented, or inaccurate. The intent is for all computers at St. Patrick’s School to be for technology resources and as a valuable educational tool only. **USE OF TECHNOLOGY RESOURCES WITHIN ST. PATRICK’S SCHOOL IS A PRIVILEGE, NOT A RIGHT.**

**MIDDLE SCHOOL DEVICE PROGRAM**

All 5th and 6th grade students will be issued a student laptop computer for school use. Permission to bring laptops home will be granted by the 5th and 6th grade team.

7 – 8th Grade students will still participate in the Bring Your Own Device program. Students are encouraged, but not required to bring a personal laptop computer to school. MacBooks, Chromebooks and iPads with keyboards are also acceptable, however a PC with Windows 10 is preferred. Students who do not bring a device will check out a school managed computer. All school owned devices must have a school purchased approved case in order to leave the building. Students may NOT personalize laptop computers, but MAY add stickers or decals to the cases. **Personalization of cases must be middle school appropriate, politically neutral, and in accordance with Catholic teaching.**

Identification labels have been placed on the laptops. Both the serial number and name stickers will be used to identify its assigned student in case of loss or theft. These stickers must not be removed or modified.

**Students must have a charged computer with them every day.**

FINANCIAL OBLIGATIONS

FACTS
We have partnered with FACTS Management Company to help us manage our tuition payment program. FACTS is used by many schools locally and over 5,000 schools nationally.

Some of the benefits of using FACTS for your tuition payment plan:

1. Payment Date: Monthly payments are to be scheduled for the 20th of each month. Automatic payments can be made from a checking or savings account or from a credit card (Master Card, American Express, and Discover are accepted and will cost you a convenience fee of 2.5%)

2. Enrolling in FACTS: You will receive an invite from FACTS with information necessary to enroll. Included in the invite will be the website you will need to access. (After the first year of enrolling, you will be automatically re-enrolled with the same payment plan unless you inform the office.)

3. Convenience & Security: Along with multiple payment plan options, your payments are processed securely through a bank to bank transaction.

4. Consumer Account: You may check your personal account or make payments online from the convenience of your home or office anytime. Automatic payment reminders will be sent.

Even with FACTS, St. Patrick's maintains decision-making control. As always, we will continue to work with families should special circumstances or “hardship” cases arise during the school year.

Your payment plan options and their costs, (which will be processed when you sign up and are nonrefundable) are as follows:

DEFINITION OF A PARISHIONER
The Parish supports the operating cost of educating each student that is a parishioner by over 40%. To be considered active parishioners of St. Patrick’s Parish, families are expected to complete the following:

  \item c. Parents/Guardians and St. Patrick’s students attend Mass regularly at St. Patrick’s Catholic Church.

END OF SCHOOL YEAR FINANCIAL OBLIGATIONS
It is expected at St. Patrick’s Catholic School that each family has all school related financial obligations paid before the last day of school. These obligations include the following: current year registration fees, tuition, Kidzone charges, outstanding lunch balance, fees for sacrament preparation materials, lost library book replacement charges and any other fees that are left unpaid.

Unless special circumstances have been approved, the family will not receive report cards and if necessary, transcripts will not be released to the student’s next school. Special circumstances may be requested by documenting reason for non-payment along with a documented payment plan. This documentation will then need the signature of approval by the Pastor, Principal and Business Manager before report cards and/or transcripts are released.

TUITION ASSISTANCE

Purpose
The purpose of Tuition Assistance is to give families in need financial assistance in order to provide a Catholic education for their children.

\textbf{Tuition Committee and Its Composition}
A Tuition Committee has been established to determine the exact amount of financial aid granted to an applicant, and/or grant special payment terms for tuition if outside the prescribed options.
Voting members: School Advisory Board Representative, Finance Committee Member, Men’s Club Member (one of these three is not to be a relative of a student at St. Patrick’s). Nonvoting members: Pastor, Principal, & Parish Business Manager

Process for Tuition Assistance
Applicants who qualify must first apply for the Archdiocesan Children’s Scholarship Fund in order to be considered for St. Patrick’s Tuition Assistance. If applying for St. Patrick’s tuition assistance, you must apply for free/reduced lunch. These forms are in the office. Applications are to be requested from and returned to the Parish Business Manager. Tuition Assistance applications are due by June 1st for the following school year. In order to respect privacy, the Parish Business Manager will assign a case number to each application, and remove the names, addresses, etc. prior to the Tuition Committee reviewing the application.

The Tuition Committee will review all applications as soon as possible in June to determine distribution decisions. Letters will be sent to all applicants by the Parish Business Manager prior to the end of June detailing the amount of aid granted, any specific conditions (automatic withdrawal, special terms), etc. Applicants must sign their agreement and return to the Parish Business Manager within two weeks.

Not all funds available will be distributed during this initial application process. Remaining funds may be used for families seeking “emergency” assistance throughout the school year. Families seeking such “emergency” assistance need to follow the same process outlined above, i.e. submit an application to the Parish Business Manager with the amount of assistance requested. A case number will be assigned to the application with the Tuition Committee reviewing and/or approving. A letter will inform the applicant with an agreement to be signed and returned.

Process for Special Terms
Families wishing to request special payment terms for tuition must submit their request in writing to the Parish Business Manager. As with Tuition Assistance, a case number will be assigned, the family’s identity protected and the information forwarded to the Tuition Committee for review and approval. The Parish Business Manager will send a written response to the applicant with the Committee’s recommendation.

Other Information
Contributions designated to Tuition Assistance are accepted at any time from corporations, groups and individuals; these are legally tax deductible. Donations made which benefit a family directly without going through the above described process is considered “tuition paid” and therefore, not tax deductible.

SAFETY
St. Patrick’s Parish has a Safety Committee that meets regularly throughout the school year. The mission and goal of this committee is to observe and evaluate all aspects of the program and to make sure the environment is safe for all students, staff, volunteers, parishioners and visitors.
CHARTER FOR THE PROTECTION OF CHILDREN TO PROTECT THE FAITHFUL IN THE FUTURE

ARTICLE 12: Dioceses/Parishes will establish "safe environment" programs. They will cooperate with parents, civil authorities, educators, and community organizations to provide education and training for children, youth, parents, ministers, educators, and others about ways to make and maintain a safe environment for children. Dioceses/Parishes will make clear to clergy and all members of the community the standards of conduct for clergy and other persons in positions of trust with regard to sexual abuse.

ARTICLE 13: Dioceses/Parishes will evaluate the background of all diocesan/Parishes and parish/school personnel who have regular contact with minors. Specifically, they will utilize the resources of law enforcement and other community agencies. In addition, they will employ adequate screening and evaluative techniques in deciding the fitness of candidates for ordination (cf. National Conference of Catholic Bishops, Program of Priestly Formation, 1993, no. 513). *The Charter for the Protection of Children and Young People was developed by the Ad Hoc Committee on Sexual Abuse of the United States Conference*

VISITORS
All visitors who come to the school during school hours (7:30am to 4:00pm) must check in at the Welcome Desk and receive a visitor's lanyard to ensure the safety of all students and staff. Visitors, including parents/guardians, should use the main school entrance. All other school entrances will be locked during school hours.

MONITOR ACCESS SYSTEM
St. Patrick’s Parish/School recognizes the need to maintain a safe and secure school building that stimulates learning and development. In order to accomplish that goal, a monitor access security system is in place. All staff, volunteers, and visitors are expected to uphold all procedures and expectations of this system so all students and staff are safe when children are present in the school building during school hours.

EMERGENCY DRILLS
St. Patrick’s regularly conducts emergency drills SRP (Standard Response Protocol). Detailed escape plans, and shelter areas are posted inside the door of each classroom. The purpose of these drills is to practice the safe and swift evacuation of all students and staff to safe areas.

EMERGENCY CRISIS TEAM
St. Patrick’s School has a Crisis Management Plan for emergencies. The purpose of the crisis plan is for St. Patrick School/Parish to ensure that any crisis that may affect members of our school community will be handled in an appropriate manner.

Policy for Reporting Danger to Self or Others
If a student knows of an abusive situation (sexual or physical), hears threatening statements of violence made, hears rumors of guns, drugs, or any other type of violence, they immediately:

- Inform their homeroom teacher, or any teacher present when the situation occurs. If they are not comfortable doing this, they may:
  1. Request to see the Principal, Assistant Principal and/or counselor and report the information to him/her.
2. If they are not comfortable with either of the above options, they may, in writing, explain in detail the information, including the names of those involved. Upon receiving the information, the administrator will investigate the situation. The student code of conduct will be followed when deciding disciplinary action. If unable to obtain enough information to take action, the teacher and administrator will closely monitor the situation. Please remember that intentionally reporting false information is as severe as making a threat yourself.

**BICYCLE POLICY**

The school is not liable for any damage to or loss of a student’s bicycle.

**VOLUNTEERING**

In signing up as a volunteer of St. Patrick’s School you agree to the following:

**Charter for the Protection of Children & Young People:** This Charter includes the Safe Environment Training program and background checks as established by the Ad Hoc Committee on Sexual Abuse of the United States Conference carried out by the Archdiocese of Omaha. As a volunteer who has regular contact with the youth of the parish, I agree to abide and adhere to this Charter.

**Your status as a Volunteer:** In performing services in connection with St. Patrick’s School, you shall operate as and have the status of volunteer. You shall not act as or be an employee of St. Patrick’s School. All of your activities will be at your own expense. As a volunteer, you shall refrain from using your position to secure special privilege, gain or benefit.

**Treatment of Confidential Information:** In reference to St. Patrick’s School private information, you agree not to disclose, divulge, copy or reproduce any of the proprietary or confidential information/materials regarding students, staff or curriculum unless authorized to do so by St. Patrick’s School.

**Representation:** As a volunteer, I do not represent the school on matters of policy, procedure, programs and personnel. When approached with concerns, I agree to refer parents to Principal and/or appropriate personnel. Volunteers should represent St. Patrick’s School in a helpful, friendly and professional manner at all times. Our existence and effectiveness is dependent upon the goodwill of the parish/school community. The image people form of the organization may be based on their contact with volunteers. For this reason, it is important for volunteers to always represent St. Patrick’s School in a positive manner and promote the beliefs and practices of the organization.

**Media Contact:** As a volunteer, I do not represent the school on inquiries and matters of the media. I agree to refer all media contacts to the Principal.

**HOME & SCHOOL**

St. Patrick’s Home & School Association (H&S) is a volunteer service organization whose success is dependent upon parental involvement. The children of St. Patrick’s School all benefit from the time and talent that parents bring to the association; therefore, all five-day school parents are encouraged to become active members. Household dues are $25 annually. Each H&S Family receives a school directory.
Mission Statement: Our mission is to support and assist the school staff, parents, and parish community in nurturing our children’s academic, spiritual, and behavioral development.

We invite all members to join us for our monthly meetings, starting in September. Check out the Home & School section on the St. Patrick’s website for more information and the calendar of events.

PARISH/FACILITY INFORMATION

USE OF PARISH FACILITY
All organizations and individuals must submit a request form to the Facilities Manager in order to utilize space in the facility. Forms must be submitted prior to the Tuesday staff meeting at least two weeks in advance. Contact Marty Cordes for more information at mcordes@stpatselkhorn.org.

Tobacco Free Facility
State law and parish policy prohibits students from carrying and/or using tobacco products on parish/school property or at parish sponsored activities. Students who violate this policy are subject to suspension. Repeated violations may result in an expulsion.

DRUG & ALCOHOL POLICY
A student who is found at school or school functions to be using, in possession of, or selling vapes, cigarettes, alcohol or drugs, look-a-like drugs, drug paraphernalia or whose behavior is affected by alcohol or drugs through prior use of a substance, will be suspended or expelled immediately from classes and held in the Principal’s office until the student’s parent/guardian comes for him/her. If a student has drugs, alcohol or any other illegal substance on school property, the police and his/her parents/guardians will be called immediately, and the student is to remain in the office until his/her parents come to pick them up. Reentry into the school for students with substance abuse issues rests entirely with the Principal. Circumstances that may be considered are an evaluation of the severity of the situation and whether the student has a substance abuse problem. A qualified professional or agency must do the evaluation. If the student does have a substance abuse problem, counseling and treatment services must be agreed upon by the counselor, the Administration, and the parent/guardian of the student before re-entry to the school. The school will contact the police if at any time an action is or could be in violation of the law.
