- Safety Committee – have not met, Fr has met to discuss the sliding door and access to school issue from the church entrance. They are looking for a long term solution and better design with welcoming visitors and safety in mind.
- Old Business
  - Extra Duty pay – Athletic committee passed if there is not an available coach for a middle school teacher or if a parent is not available they will be able to hire a coach. See Athletic Committee notes
  - Assessment platform update – The MAPS offers assessment on all subjects not just two. The different programs do come with a student/home component that will incur a charge. But still waiting for the diocese recommendation to see if they could get a MAPS on board at other schools to deter the costs but if the diocese is slow on other schools, St Pats will go ahead with the teacher backing.
  - Lunch program reforms – trending better with the cold sandwiches
- New Business
  - School board meeting dates next year – proposed dates to change next year meetings to help with Fr. Tom schedule.
  - Testing results – Terra Nova will be discussed in January
  - Made a motion to cancel the December meeting - Tim made the motion and Ann second the motion
  - Home and School session – none to report
- Principal's Remarks – see admin report
