Audience Petition – Paula Blackledge – Home and School stepped up to the plate regarding providing buses and food for teachers during the funeral and wake events for Mr. Hale, Teachers, Staff and Communities were very appreciative and money well spent. Also note the students will have bracelets made to honor Mr. Hale when they return to school after they return from the Easter break.

Kelli Parr – visitor – concerned with number of days off in the school year and the inconsistency of days with routine to enhance the learning opportunity. Having short weeks is hard the kids to establish routine and maintain a schedule. i.e. School of Faith, Easter break, spring break – The board agreed to take it into consideration and went through the calendar process which starts in early November and is made up of teachers and board members. At this point the 2017/18 is already established but can be looked at in future years.
