**Guest**

At 7:03pm, Mike Durbin came to speak to SAB about the current change in mask policy. Mike is father to Sam Durbin, in 5<sup>th</sup> grade. He shared he is against the masking of children and recognizes how divisive this has become. He would be in support of the requirement if he felt his son was being protected. He shared there is no correlation of reducing covid by wearing a mask. He stated that unless people are wearing an N-95 mask particles can still get through masks. He hopes that the school will reconsider the decision.

**Executive Session**

SAB returned to executive session at 7:10pm

Meeting was adjourned at 8:01pm
