- Contingency plans for the 20-21 school year

- Several archdiocesan schools have the following plans in place:
 - “On time start”
 - September 8th start
 - October 5th start
- Note that these plans do not have eLearning schedules in place as the Archdiocese has decided that would NOT be in schools’ nor students’ best interests to start the school year

 - May 18: parade for all (non-8th grade) students

 - May 1st: May day baskets and yard signs were a BIG hit!
 - May 14th: parade just for the 8th graders
 - 8th grade graduation may have to be virtual if the June and July dates will not work based on state guidelines and restrictions
