Principal’s Report

COVID-19 Update

Weekly updates sent out by nursing staff to all families. Over 100 kids quarantined. Hope to have 80 returning by 11/30. No virus spread has occurred at school.

Some feedback was received by the administration for the short notice on calendar changes. ½ day Wednesdays will continue for the foreseeable future. More information for the rest of the year will follow the school operations committee meeting at the end of November.

7th & 8th grade may pilot classroom changing after Christmas holiday. Lack of space makes changing classes difficult.

Textbook Adoption 2020 2021

Allotted amount St. Patrick’s will receive is \$11,587.08
Social Studies and Science for 4 through 8 will be updated

Teacher Observations

These development opportunities will be conducted for first year teachers this school year. Pandemic needs don’t make it useful for the other classrooms.

St. Pat’s Pandemic Plan

If needed, the school will go to the yellow plan (1/2 kids attending at a time) and try not to go directly to red (100% online)

Pastor's Remarks

Thankful for the faculty and staff and their dedication. Please pray for the staff and reflect on the blessings we have been granted.
