Committee Reports

- ❖ Anne Moeller-would like to increase the number of parents that sign up for room parents as there are challenges filling all spots. Going forward next year sign up will be put directly in individual classrooms since families always visit the classrooms, but not necessarily the gym. It was suggested that room parent coordinators meet and put together a binder with expectation of room parents. Kami would like an administrator present at this meeting. Additionally, many of the parents are being contacted for multiple room parent positions if they have multiple children and expressed interest in multiple grades. All of the room parent coordinators need to chat prior to reaching out to potential room parents. Additionally this year was highly successful with school supply kits. This year was the most kids sold ever for school supplies (170 students) Netted \$3,057, home and school owes the school \$2,089 for paper.
- ❖ Susie D'Agosto-Yearbook is always looking for photos of St. Patrick's students - especially in sports!
