2018-2019 Improvement Goal

St. Patrick's Catholic School teachers will demonstrate improvement in utilizing data to personalize learning using the MAPS assessment in grades K-8.

Action Plan 2018-2019

1. Provide a schedule that supports collaboration time for grade level and vertical PLC teams.
2. Create shared documents in the OneNote drive for PLC goal setting and data reporting.
3. Provide professional development to teachers on the MAPS assessment results, and unpacking the data using the provided reports.
4. Use ESU3 experts to provide multiple MAPS Assessment workshops throughout the school year.

2019-2020 Improvement Goal

Eighty-five percent of students in the classroom will meet their math projected MAP score. Those who have met their projected MAP score should increase 5% by the end of the school year.

Action Plan 2019-2020

1. Establish SMART goals based on the students spring 2019 and fall 2019 MAPS data.
2. Generate possible solutions and criteria for success. Solutions should address areas identified and take concerns into consideration. Determine solutions as a team using criteria for acceptability.
3. Generate recommendations for a specific action plan (timeline, who is responsible, and resources needed).
4. Monitor student progress and revise goals as needed.
