<p>USDA wellness policy goals outline that 3 goals must be included, 1) nutrition goal, 2) physical activity goal, and 3) other student wellness goal, additional goals are <u>optional</u></p>			
<p>Nutrition Education Goal(s)- record goal OR Nutrition Promotion Goal(s)- record goal</p> <p>Goal: To increase student participation in the lunch program as the result of introducing new entrees to our students.</p>	Yes	<p>With the support of the Cafeteria manager and taste testing by the LSW Committee, recommendations were made for new entree items to be introduced to students. The students on the LSW Committee played a big part in the new offerings.</p> <p>Student members of the LSW team shared their excitement of the new options. The new entrée items were listed on the monthly menu and this created excitement for both the students who regularly ate lunch and those who do not.</p>	<p>There was an increase in the number of student lunches sold on these days.</p> <p>The average lunches sold per day is around 325. On the days the new options were offered lunches sold was about 350, an increase of over 5%.</p>
<p>Physical Activity Goal(s)- record goal</p> <p>Goal 2: Adding another part-time PE (were not able to fill in 2022 2023 school year) for grades K-2 so that their opportunities for PE classes could return to</p>	Yes	<p>We ran advertisements in both the Archdiocese career page and on Teach Nebraska.</p>	<p>We have secured a part-time teacher in addition to a full-time PE teacher for next year.</p> <p>A contract for the part-time PE position was accepted on March 20, 2023.</p>

2x's per week, and to support the school's physical fitness policy.			
<p>Other student wellness Goal(s) - <i>record goal, this is often where goals to support SEL and Mental health or staff wellness could be included</i></p> <p>Goal 3: To increase student awareness and participation in the recycling opportunities in the cafeteria.</p>	<p>Partially, it would have been more successful to start the education of students early in the year rather than after the first semester. We noticed habits were hard to shift in some students.</p>	<p>Student council members prepared and performed a play about the importance of recycling for the students in grades K-4. More descriptive recycling signage was created by students and adhered to the recycling bins in the cafeteria.</p>	<p>The amount of trash going to the "trash" dumpster decreased slightly.</p>
<p>Additional Goal(s) <i>Add more rows as needed</i></p>
